## ONE HUNDRED AND FIFTEENTH LEGISLATURE FIRST REGULAR SESSION AND FIRST SPECIAL SESSION

## JOINT STANDING COMMITTEE BILL SUMMARIES

### AUGUST 1991

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries.

All adopted amendments are listed, by paper number (e.g., H - 584 or S - 222), together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various types of final action are abbreviated as follows:

**PUBLIC XXX** Chapter # of enacted Public Law P&S XXX Chapter # of enacted Private & Special Law RESOLVE XXX Chapter # of enacted Resolve CON RES XXX Chapter # of Constitutional Resolution passed by both Houses **EMERGENCY** Enacted law takes effect sooner than 90 days CARRIED OVER Bill carried over to 2nd Session FAILED EMERGENCY ENACTMENT Bill failed to get 2/3 vote ONTP Ought Not to Pass report accepted **LVWD** Leave to Withdraw report accepted INDEF PP Bill Indefinitely Postponed **DIED BETWEEN BODIES** House & Senate disagree; bill died Legislature failed to override Governor's Veto **VETO SUSTAINED** Not signed by Governor within 10 days UNSIGNED DIED ON ADJOURNMENT Action incomplete when 1st session ended

These summaries were prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

If you have any suggestions or comments on these summaries, please let us know.

The committee amendment (H-433) strikes the original bill. It establishes a mechanism to charge marinas that lease submerged lands from the State for slip space an annual fee based on gross income from the rental of that space. The fee charged for dockominiums, slips that are part of a residential condominium and boat clubs are determined by the Director of the Bureau of Public Lands based on an average of slip rentals for the area. Service facilities that are part of marinas are charged a rate based on the municipally assessed value of the uplands. The amendment takes effect on October 1, 1991. The amendment also adds a fiscal note to the bill.

### An Act to Encourage Recycling of Waste Oil LD 937

### **SUMMARY**

This bill changes "eligible business" in the Maine Revised Statutes, Title 10, section 1099-A, to "eligible entity" and includes municipality in the definition of "eligible entity" for purposes of the Waste Oil Furnace Loan Program. This bill also permits municipalities to be eligible for 0% interest loans in the Waste Oil Furnace Loan Program.

The bill also requires the Maine Waste Management Agency, Office of Waste Reduction and Recycling, to provide technical and financial support to municipalities for the collection, recycling and disposal of waste oil.

Committee amendment "A" (H-191) retains the bill's municipal eligibility provisions, but establishes the loan interest rate at 3%, the same rate currently available to eligible businesses. The amendment also strikes a provision in the bill requiring the Maine Waste Management Agency to provide technical and financial support to municipalities for the collection, recycling and disposal of waste oil.

House amendment "A" (H-309) included "person" in the bill's definition of "eligible entity".

### LD 946

### An Act to Amend the Voter Ratification Provisions of the Low-level Radioactive Waste Laws
