**LD 999      An Act to Establish the Maine Primary Care Residency  
Training Assistance Program**

**PUBLIC 545  
EMERGENCY**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
CLARK N MARTIN J GILL RYDELL	OTP-AM	S-106 S-376    CLARK N

**SUMMARY**

This bill authorizes the Finance Authority of Maine to administer a program of grants to support the maintenance and expansion of existing family practice residency programs in Lewiston, Bangor, Augusta, Portland and Waterville. The bill provides an appropriation of \$2,000,000 for each year of the biennium.

Committee Amendment "A" (S-106) eliminates the appropriation for the grant program and clarifies that the Finance Authority of Maine is required to establish the program only if funds are available. The amendment also establishes the Primary Care Residency Commission to develop funding mechanisms for the primary care residency program. The commission is authorized to seek outside funds for its activities but may not incur any General Fund expenditures. The amendment also adds an emergency preamble, an allocation section and a fiscal note to the bill.

Senate Amendment "A" (S-376) amends Committee Amendment "A" by changing the reporting date of the Primary Care Residency Commission, if funding is received, from February 15, 1992 to November 1, 1991 and if no funding is received, from February 15, 1993 to November 1, 1992. This amendment also makes any proposal for outside funding subject to review and approval by the Executive Director of the Legislative Council. The amendment also adds language that gives the Legislative Council the authority to disapprove a funding source if there is a risk that accepting the funds will cause undue influence on the study.
