SUMMARY

This bill increases the number of public members on the Electricians' Examining Board from 1 member to 3 members.

Committee Amendment "A" adds one public member rather than 2 to the Electricians' Examining Board. This amendment also adds an allocation section to the bill and a fiscal note.

Senate Amendment "A" makes a technical correction to the bill to further the intent of the committee amendment to add one member, rather than 2 members, to the Electrician's Examining Board.

SUMMARY

This bill:

1. Revises membership qualifications of the State Board of Licensure for Professional Foresters by requiring appointees to be licensed foresters. It further standardizes the board members' terms to conform to other boards within the Division of Licensing and Enforcement;
2. Allows the board to establish by rule the order in which licensure qualifications must be met; and
3. Allows the board to change from a biennial to an annual renewal cycle and increases licensure fees from \$25 biannually to \$50 annually.

Committee Amendment "A" requires that all other requirements be met before the examination is taken. This amendment changes the annual license fee to \$55.

House Amendment "A" provides for a correct transition provision.

Senate Amendment "A" provides for a correct transition provision.

Senate Amendment "A" to Committee Amendment "A" sets a range of the licensing and renewal fees for foresters of \$40 to \$55 in order to eliminate the need for rulemaking.
