#### **SUMMARY**

This bill implemented a recommendation of the Special Committee on the New Capitol Area Master Plan and extended the jurisdiction of the Capitol Planning Commission to state owned lands on the east side of the Kennebec River, lands along the river edge on the west side of the river and elevated lands on the east side of Howard Hill that provide the backdrop for the State Capitol building.

Committee Amendment "A" removed all extensions of the Capitol Area on the west side of the Kennebec River except the land area between the railroad tracks and the river. The amendment reduced the area included in the extension of the Capitol Area on the east side of the Kennebec River to land which is owned by the State on the effective date of the Act.
