LD 1377 An Act to Create a State Municipalities Investment Pool**CARRIED OVER**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
PRAY GWADOSKY BUSTIN GOODRIDGE		

SUMMARY

This bill authorized the Maine Municipal Bond Bank to create a combined investment fund for use by municipalities within the State. This fund allows municipalities to obtain short-term investments, provide enhanced ease of access to investments that meet all state statutory requirements for municipal investments and, simultaneously, provide a competitive rate of return. The fund facilitates proper record keeping for compliance with federal tax code requirements on arbitrage and rebate standards.

The bill clarified the definition of municipality and enhanced the efficiency of the bank's already existing power to borrow for short-term and long-term municipal capital needs by authorizing the bank to borrow, on behalf of municipalities, using security instruments other than a formal municipal bond. This makes it possible for municipalities approved for long-term financing through the bank to obtain more readily any short-term bond anticipation financing that municipalities may require.
