An Act to Amend Certain Laws Administered by the Maine State Retirement System

COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
H-533 JALBERT
S-196

SUMMARY

This bill makes miscellaneous administrative changes to the laws governing the Maine State Retirement System.

Committee Amendment "A" (S-196) deletes 2 sections of the bill that authorize the retirement system to adopt rules defining "continuous creditable service." These sections are unnecessary because the board already has general rulemaking authority that would permit it to adopt those rules. The amendment also corrects a section number reference and adds a fiscal note.

House Amendment "A" (H-533) clarifies the provision relating to the exceptions to the requirement that medical information in the possession of the retirement system must be confidential.

An Act to Amend the Maine State Retirement System Laws Relating to Military Service Credits

COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
H-485

SUMMARY

This bill reverses 2 unintended substantive changes made at the time the Maine State Retirement System laws were recodified in 1986 to make the military service provisions relating to participating local district members consistent with comparable laws relating to state employees and teachers.

Committee Amendment "A" (H-485) deletes provisions of the bill restricting qualification for service credit for military service when the member may use the service to qualify for service credits or benefits under another retirement plan. The amendment also removes language that was enacted in a previous bill.

LD 1525

COMMITTEE REPORT

AMENDMENTS ADOPTED
S-226

SUMMARY

This bill increases the State's contribution for group accident, sickness or health insurance on behalf of eligible retired teachers from 25% to 100% and corrects errors caused by two conflicting enactments last year.

Committee Amendment "A" (S-226) (not adopted) changes the amount of the State's contribution to retired teachers' health insurance premiums to 30%, changes the title of the bill and the appropriation and adds a fiscal note.
