COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
H-448

SUMMARY

This bill establishes for nonmedical personnel who work in long-term care facilities a training program similar to that provided for health care personnel by the health occupations training project, in order to address the shortage of qualified personnel to fill activities coordinator positions in the State's long-term care facilities.

Committee Amendment "A" (H-448) removes the Department of Human Services as one of the agencies to jointly administer the job training program and adds a "grandfathering" provision for activities coordinators who are employed on the effective date of this Act. It also adds a fiscal note to the bill.
