SUMMARY

This bill proposed to increase fees for licenses issued by the Department of Marine Resources and to require licenses for handfishing for sea urchins and for using a boat for dragging for sea urchins. Undedicated revenue derived from these fees would have been appropriated to the Department of Marine Resources, Bureau of Marine Patrol to retain 11 existing filled Marine Patrol Officer positions proposed for elimination in the fiscal year 1992-93 budget and to reestablish 7 Marine Patrol Officer positions abolished in the fiscal year 1990-91 budget. One of the reestablished Marine Patrol Officer positions is established as a Marine Patrol Specialist position to be assigned as skipper of an existing 35-foot patrol craft.

The substance of this bill was incorporated into the budget bill, PL 1991, c. 591. The lobster and crab license fees were later amended by LD 1983 (PL 1991, c. 617).
