**PUBLIC 336
EMERGENCY**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
PARADIS P GAUVREAU HOLLOWAY HANLEY	OTP-AM	H-401

SUMMARY

The bill establishes an administrative mechanism for the correction of technical errors and inconsistencies in the Maine Revised Statutes. Errors such as spelling, history line errors, headnote changes, erroneous cross-references, renumbering of sections and the like can be corrected by the Office of the Revisor of Statutes during the annual update of the statutory data base. Implementation of nomenclature changes authorized by revision clauses can be accomplished at the same time. The bill specifies that administrative corrections are not to be made in doubtful cases, and sets up mechanisms to provide for legislative review and adequate publication and citation of these changes.

The bill also establishes the Commission to Study Resolution of Conflicting Enactments to study whether administrative correction should be extended to resolution of conflicting enactments, and whether a rule of construction for conflicting amendments should be placed in the statutes.

Committee Amendment "A" (H-401) makes a technical correction and eliminates the funded study commission.
