H-404

SUMMARY

This bill establishes the Advisory Committee on Improving Outdoor Recreational Opportunities for Persons with Disabilities, commonly known as Maine Outdoor Recreation for Everyone, M.O.R.E. The committee shall advise the Department of Conservation, the Department of Human Services and the Department of Inland Fisheries and Wildlife on outdoor recreational opportunities for persons with disabilities.

Committee Amendment "A" (H-404) removes provisions from the original bill that authorize expenses for members and allows the Advisory Committee to set reimbursement for expenses if funds permit. The amendment prohibits the use of General Fund money for the committee. The amendment adds representatives from the Department of Marine Resources, the Department of Economic and Community Development and the Department of Transportation to the committee and clarifies that the committee is located within the Department of Human Services, Bureau of Rehabilitation. The amendment authorizes the committee to expend funds if funds are available and requires the committee to report on its activities in January 1993. The amendment adds a fiscal note to the bill.
