SUMMARY

LD 2019 proposes several changes in the election laws, including changes that would:

- 1. Clarify that the municipal officers, not the nominating entities, have authority to appoint or remove members of the board of registration;
- 2. Require that 10 or more voters file a declaration of intent to form a new party instead of a single voter and require the new party to obtain signatures equal to 5% of the votes cast in the last gubernatorial election before the party may enroll members;
- 3. Limit the price registrars may charge for reproducing a voter list to the cost of reproduction;
