H-938

SUMMARY

This bill makes clear that personal responsibility and criminal liability for participation in the granting of loans in violation of the Maine Revised Statutes, Title 9-B, section 439-A do not apply in the case of a financial institution that is not subject to the lending limits of Title 9-B, section 439-A.

Committee Amendment "A", H-938, clarifies the procedures to be used by financial institutions when making loans to directors or officers. It removes the application of these provisions to corporators. The amendment also adds a fiscal note to the bill.

AMENDMENTS ADOPTED

H-941

SUMMARY

This bill repeals the Mandated Benefits Advisory Commission and eliminates all references to the commission.

This amendment allows the joint standing committee having jurisdiction over mandated health benefits to refer proposed mandates to the Bureau of Insurance for review and evaluation if there is substantial support for the proposal among members of the committee. The amendment requires review and evaluation of these proposals prior to enactment into law. The amendment also adds a fiscal note to the bill.
