**LD 2213 An Act to Amend Child Labor Laws PUBLIC 713
EMERGENCY**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
ESTY PINEAU	OTP-AM	S-575

SUMMARY

The original LD 2213 eliminated an ambiguous clause that allowed some employers to argue that the child labor laws do not apply to them because they operate on a seasonal or sporadic basis. The ambiguous clause was replaced with a clause specifying that the work performed as a summer camp counselor in a children's camp is exempt from the child labor laws.

Committee Amendment "A" (S-575) replaced the original bill and included many of the changes to the child labor laws that were in LD 2213, LD 1995, LD 2043, and LD 2136. Committee Amendment "A" permitted a minor 16 or 17 years of age to work up to 8 hours on the last day of the school week, rather than the 4 hours permitted under current law. It clarified the restriction on working during school hours as it applies to students in an approved home instruction program. The amendment also clarified that employees of a summer children's camp are exempt from the hours limitations, as well as minors who hold a high school diploma, a high school equivalency certificate, or who are legally emancipated. The amendment also restricted the number of work permits that may be issued to a minor of 14 or 15 years of age to one during the school year and 2 during the summer vacation. The local school superintendent was given authority to revoke the 2nd permit at the end of the summer. An exemption to the work permit requirement was removed for non-agricultural seasonal employment and a fiscal note was added.

LD 2241 An Act to Encourage Workers' Compensation Insurers to Undertake Employer Safety Programs ONTP

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
GOULD R A PRAY HUSSEY	ONTP	

SUMMARY

This bill allowed an employer of 10 or fewer employees to receive a refund on a paid workers' compensation premium in an amount equal to the cost of paying for employee attendance at a workplace safety program certified by the Bureau of Labor Standards. Insurers were authorized to offset credits under the Maine Revised Statutes, Title 24-A, section 2366, subsection 7-A by the amount of the refund.
