These summaries were prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond and Valarie Parlin, especially Laurette Knox who coordinated preparation of the overall document.

If you have any suggestions or comments on these summaries, please let us know.

The original bill also consolidates all the existing legislation conferring authority to Husson College to grant specific degrees: the authority to confer bachelor degrees derived from the original act, Private and Special Law 1953, chapter 11, as amended by Private and Special Law 1963, chapter 15 and Private and Special Law 1981, chapter 105 which authorized a degree of bachelor of science in nursing; the authority to confer associate degrees derived from Private and Special Law 1965, chapter 121 and Private and Special Law 1969, chapter 213; the authority to confer master degrees derived from Private and Special Law 1977, chapter 13; and the authority to confer honorary doctorate degrees derived from Private and Special Law 1969, chapter 90.

Committee Amendment "A" (S-565) corrects 2 improper references in the original bill that would have limited the authority of Husson College to grant bachelor of science degrees and associate science degrees.
