SUMMARY

This bill amends the charter of the Dexter Utility District by giving the board of trustees the authority to assess interest on unpaid rate charges and allows the lien fees to be increased from time to time. The committee amendment (H-999), requires notice of any late payment charge to be given by registered mail. The amendment increases the period after the notice is given and before a lien is perfected from 30 days to 60 days. The amendment limits the interest that may be charged on overdue rates to that level established by the Public Utilities Commission by rule for public utilities. Currently that rule is Chapter 87 of the commission's rules.

SUMMARY

This bill amends the charter of the Portland Water District to include the Town of Scarborough within the boundaries of the district. The district has been serving portions of Scarborough since 1915. This allows Scarborough to have representation on the Board of Trustees of the Portland Water District.

The bill also expands the Board of Trustees of the Portland Water District from 9 to 11 members. One new member represents the towns of Cape Elizabeth, Scarborough and Gorham. The 2nd new member represents the towns of Windham, Cumberland and Falmouth. Adding 2 new representatives for these 6 towns reflects changes in population since the last time the board was reorganized in 1972.

The committee amendment (H-1002), exempts the bill from the municipal mandate law.

The House amendment (H-1026), reduces the number of signatures needed to become a candidate to represent Falmouth, the Cumberland and Windham voting district or the Cape Elizabeth, Scarborough and Gorham voting district.
