**SUMMARY**

This bill had a suggested reference to the Utilities Committee but was not referred; rather, the bill was tabled in the Senate and considered informally by members of the Utilities Committee.

The bill attempted to create the Fort Kent Utilities District.

The Senate Amendment (S-663) strikes and replaces the bill with new language creating the Fort Kent Utilities District. The amendment makes a number of technical changes from the original bill and clarifies the powers and responsibilities of the district. The amendment also exempts the bill from the municipal mandate law.
