**COMMITTEE REPORT**

**AMENDMENTS ADOPTED**

**SUMMARY**

This bill establishes the Shock Incarceration Program as a new sentencing alternative. Shock incarceration means incarceration in a shock incarceration facility providing intensive regimentation and discipline patterned after military basic training. The bill sets out the conditions of eligibility for shock incarceration that include that the person must be between 17 and 25 years of age, may not have spent time in a correctional facility, must be physically and mentally able to participate in the program and may not have committed murder, sexual assault or any offense involving violence. The Department of Corrections and the court must agree that the person is eligible for sentencing to the Shock Incarceration Program. The maximum sentence of incarceration in a shock incarceration facility is 120 days. The bill requires the Commissioner of Corrections to designate institutions as shock incarceration facilities and to adopt rules for the Shock Incarceration Program.
