AMENDMENTS ADOPTED

SUMMARY

This bill clarifies that the agricultural exemption from certain provisions of the child labor laws includes employment in the initial processing of farm crops as long as the work is not in direct contact with hazardous machinery or hazardous substances. The new language is consistent with the United States Department of Labor's interpretation of the agricultural exemption under the Fair Labor Standards Act of 1938, 29 United States Code, Sections 201 to 219.

This provision was incorporated into LD 1108.

H-38 RUHLIN

SUMMARY

This bill makes certain technical corrections and a change in a cross reference so that the Maine Labor Relations Board is not required to make a legal determination on the appropriateness of a bargaining unit prior to holding an election for a merger of bargaining units with the same public employer. The House Amendment (H-38) adds a fiscal note to the bill.
