LD 198 **An Act to Improve Access to Dental Services** P & S 18

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
BRANNIGAN	OTP-AM MAJ ONTP MIN	S-83

SUMMARY

This bill establishes an ad hoc committee to improve access to dental services. The group is comprised of state agency representatives and nonprofit dental clinic representatives. The committee is charged with examining ways to maximize federal funding for dental services to people with low incomes. The committee, which must conduct its work with no new funding, is to report to the Legislature by February 1, 1994.

Amendment S-83 is the majority report of the Human Resources Committee. It clarifies that part of the purpose of the Ad Hoc Committee on Access to Dental Services is to enhance coordination among the 3 state departments that are represented on the committee. It also adds the following representatives to the committee: one person representing people with low incomes, one private dentist and one representative from rural health centers. The amendment also adds a fiscal note to the bill.
