Laws**

COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
H-186

SUMMARY

Currently, the boards of visitors of the various correctional institutions consist of 5 persons appointed by the Governor. This bill reduces the number of gubernatorial appointees to 4 and adds 3 persons to be appointed jointly by the President of the Senate and the Speaker of the House of Representatives.

The bill provides for the appointment of chairs for the boards and makes them responsible for calling the first meeting of the board each year.

The bill requires that the board visit the facility for which it is responsible each year, submit a report on the management of that facility to the Commissioner of Corrections and the Legislature and appear before the responsible legislative committee to respond to questions. It requires the Commissioner of Corrections to respond in writing to the report.

Committee Amendment "A" (H-186) clarifies the fact that the Commissioner of Corrections need not provide staffing to the Boards of Visitors for the various correctional facilities if personnel are not available in the department for that purpose.
