This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries.

The committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. COMMITTEE REPORT
ONTP

AMENDMENTS ADOPTED

SUMMARY

This bill would give the injured employee the right to sue the employer for damages if the injury is due to an intentional tort of the employer. An intentional tort occurs when an employer intentionally engages in misconduct knowing it is substantially certain to cause serious injury or death to an employee. The right of action provided by this bill would be in addition to the rights provided under the Maine Workers' Compensation Act of 1992 but the employee could not be compensated twice for the same loss.

LD 309

An Act to Require Written Reason for Discharge, Demotion or Discipline

CONF CMTE UNABLE TO AGREE

COMMITTEE REPORT

ONTP MIN

AMENDMENTS ADOPTED

SUMMARY

This bill would have required that employers provide an affected employee with a written statement of the reasons for the employee's termination, demotion or discipline. Current law requires only that an employer respond to a request from an employee for written reasons for that employee's termination.

The majority report of the committee amended the bill so that the employer would be required to respond to an employee's request for written reasons for that employee's termination or demotion if the demotion results in a reduction in pay. The amendment also added a fiscal note.
