#### SUMMARY

This resolve provides for the collection of quantitative data from each department and agency of State Government on the annual cost of unfunded federal mandates. This data will be presented to the United States Congress in an effort to assist the State in relaxing these mandates and in balancing its budget for the fiscal years 1993-94 and 1994-95.

The committee amendment (H-55) changes from March 15 to April 1, 1993 the date by which state agencies are to report to the Appropriations Committee on unfunded federal mandates. The amendment also adds a fiscal note to the bill.
