This bill also provides flexibility for volume fee setting by rule within a specified range to allow for decreases or increases according to fluctuating lending levels. This regulatory authority is based upon similar mechanisms currently in place at the Maine Bureau of Banking, the Bureau of Insurance and the Maine Real Estate Commission.

Committee Amendment "A" (S-121) phases in fees over 2 years, 1st at \$15 per \$100,000 and then at \$20. It reduces the volume fees paid by banks to \$20. It allows rate change by rulemaking and adds a fiscal note.

House Amendment "A" to Committee Amendment "A" (H-417) removes the fee adjustment and sets the fees at \$15 for year 1 and \$20 for year 2 and after. It requires a report from the Bureau of Consumer Credit Protection to the Banking and Insurance Committee by January 1, 1995 on listed issues related to appropriate fee levels. It adds a new fiscal note.

LD 614 An Act to Amend the Mutual Holding Company Laws PUBLIC 257

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
RYDELL	OTP-AM	H-305 H-406 PINEAU

SUMMARY

This bill amends the laws governing mutual holding companies by authorizing subsidiary savings institutions to issue 49% or less of their stock to other investors as a means of attracting capital. This change in Maine law will maintain parity with changes made in federal law and will help some mutual organizations raise capital while maintaining their mutual holding company structure.

This bill also removes the general securities filing exemption for the sale of securities that represent a minority interest in a financial institution that is a member of a mutual holding company and requires that the mutual holding company retain at least a majority interest in the securities of the financial institution.

Committee Amendment "A" (H-305) removes the general securities filing exemption for minority sales. It addresses potential conflicts of interest.

House Amendment "A" to Committee Amendment "A" (H-406) corrects a chapter numbering problem.
