COMMITTEE REPORT

ONTP

AMENDMENTS ADOPTED**SUMMARY**

This bill authorizes school boards to provide group health, hospitalization and major medical benefits to their employees through direct reimbursement plans or programs by self-insuring such benefits. The bill provides guidelines for the establishment and operation of individual and group programs. School boards would be required to obtain excess insurance or reinsurance, that is, so-called "stop-loss coverage," to limit their exposure under such programs and to adopt guidelines establishing funding mechanisms for the programs before commencing operation of the programs. The legal entity establishing a program to serve a group of school administrative units would be required to adopt a plan of management providing for the financial operation of the program.
