Committee Amendment "A" (H-307), part of the minority committee report, would have changed the date of the primary election to the first Tuesday after the first Monday in September. The amendment would have repealed procedures for regulating the withdrawal of candidates and would have removed the task of requiring the Secretary of State to print new ballots if a candidate withdrew before an election.

The amendment would also have changed the time a registrar must report to the Secretary of State regarding the number of enrolled voters, the time a losing candidate has to request a recount and the time the Secretary of State has to provide municipalities with blank ballots. The amendment would have added a fiscal note to the bill.

AMENDMENTS ADOPTED

SUMMARY

This bill would have made several changes to the election laws. Specifically, the bill would have accomplished the following:

1. Broadened the definition of "immediate family" to include in-laws;
2. Amended the qualifications for members of a board of registration in a municipality with a population of 5,000 or more;
3. Allowed a board of registration to appoint deputies by majority rather than by unanimous action;
4. Allowed rather than required municipal officers to appoint a person to fill the office vacancy of an election official;
5. Allowed a ward clerk to perform the duties of warden if there were a vacancy in that office;
6. Required that an election clerk appointed by a warden to fill a vacancy in the office of ward clerk be enrolled in the same political party as the ward clerk unless the election position of ward clerk were nonpartisan;
7. Amended timing for signing incoming voting lists to require signing by the warden and one election clerk as soon as the names of all voters, including absentee voters, were checked off;
8. Provided that an election official must use only red ink or red lead;
9. Provided that the right to inspect the ballots and incoming voter lists under the Maine Revised Statutes, Title 21-A, section 739 was in addition to other inspection or recount rights under Title 21-A and Title 30-A;
10. Amended the law to require at least one voting machine rather than one electronic voting device for each 250 voters; and
11. Provided for new counting procedures for counting absentee ballots at voting places using electronic voting systems.
