The purpose of this bill is to include within the list of violations that require a school board to expel a student the possession of a firearm, under any circumstances, and the possession and use of any dangerous weapon in such a way as to cause injury intentionally or knowingly or accompanied by a threat to cause injury.

Committee Amendment "A" retains the provisions of the bill and adds language clarifying that students possessing a firearm on school property with permission of a school official, as in the case of a firearm or hunting safety course, are exempted from this provision.
