AMENDMENTS ADOPTED

SUMMARY

This bill authorizes the Department of Administrative and Financial Services, Bureau of General Services, to provide insurance advice and services to school administrative units. Schools that choose to self-insure through the Bureau of General Services could realize savings in insurance expenditures, which could reduce future expenses to the Department of Education, General Purpose Aid to Local Schools account.

The bill further requires the Bureau of General Services to contract for annual actuarial services and to adopt rules to ensure that the insurance fund is adequately funded and the assets of the fund are protected.

LD 900 An Act to Change the Fees Payable to the Bureau of Consumer Credit Protection

ONTP

COMMITTEE REPORT

AMENDMENTS ADOPTED

SUMMARY

This bill exempts loans made by supervised financial organizations and secured by an interest in real estate from the Maine Consumer Credit Code, except for the purposes of complying with the State's truth-in-lending laws. This is consistent with the original enactment of the Maine Consumer Credit Code in 1973 when no real estate-secured bank loans were subject to that code.

The bill also restructures the fees payable to the Bureau of Consumer Credit Protection.

The bill requires that the fees generated by different types of creditors be used to examine those types of creditors and ensures that one class of creditor does not subsidize the examination and complaint resolution of another.
