LD 903 An Act to Bring the Bureau of State Police, the Department of the Attorney General and the Maine Drug Enforcement Agency into Conformity with the Criminal History Record Information Laws

CARRIED OVER

SPONSOR(S) COMMITTEE REPORT AMENDMENTS ADOPTED
PARADIS P

SUMMARY

The bill repeals the separate sections of Maine law dealing with the access to criminal, investigative or administrative records of the Bureau of State Police, the Department of the Attorney General and the Maine Drug Enforcement Agency and brings them into conformity with the criminal history record information laws that other criminal justice enforcement agencies use. The bill also allows access to those records of the State Police currently available to the public but not covered by other laws. It also resolves conflicting amendments to the Maine Revised Statutes, Title 16, section 614 created by the enactments of Public Law 1991, chapters 729 and 837.

LD 919 An Act to Extend the Commission to Study the Future of Maine's Courts

PUBLIC 56

SPONSOR(S) COMMITTEE REPORT AMENDMENTS ADOPTED
CONLEY EMERGENCY H-66 CHONKO

SUMMARY

The Commission to Study the Future of Maine's Courts has submitted its final report and recommendations to be presented to the Governor, the Chief Justice of the Supreme Judicial Court and the Legislature. The commission is funded through grants, and official statutory authority to continue through August 1st of this year will be helpful for the commission to carry out its obligations under the law and grant contacts and will allow the commission to assist in the implementation of its recommendations. The retroactivity clause makes it clear that the commission's authority does not expire on February 28, 1993.

Enacted without reference to Committee.

House Amendment "A" (H-66) adds a fiscal note.

LD 942 An Act to Amend the Adoption Laws

CARRIED OVER

SPONSOR(S) COMMITTEE REPORT AMENDMENTS ADOPTED
CAHILL

SUMMARY

The bill is a recodification and revision of the adoption laws. It incorporates the recommendations of the Adoption Task Force, which studied adoption issues for a year and issued its report in March 1988.

The policies and procedures established in the bill are designed: to ensure that the decision to place a child for adoption is not hurried or coerced and is made willingly with sufficient information and counseling; to place all children eligible for adoption into permanent homes as quickly and as safely as possible once the decision is made; to ensure that adoptive families have the same rights, privileges and responsibilities as all families; and to allow for greater access by birth parents, adoptees and adoptive parents to certain information.
