SUMMARY

This bill proposed to allow the Lobster Promotion Council to market and sell items related to its functions. This bill also proposed to indefinitely extend the surcharges that fund the Lobster Promotion Council.

Committee amendment "A" (H-350) replaced the bill and made the bill an emergency. The amendment extends the Lobster Promotion Council's revenue source for 4 additional years by assessing surcharges on licenses sold for calendar years 1994, 1995, 1996 and 1997. The amendment also privatizes employees of the Lobster Promotion Council by removing all employees from the State Civil Service System, eliminating all state position counts and allowing the council to set the level of compensation for its employees. The amendment allows the council to accept voluntary contributions from license holders that are paid in addition to the surcharge assessed by law.

The amendment also includes new allocations to the Council which, when combined with allocations in the Part I budget, will provide total allocations for the council of \$400,000 in All Other funds in fiscal year 1993-94 and \$400,000 in All Other funds in fiscal year 1994-95.
