COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
S-130

SUMMARY

This bill revises and clarifies the existing law set forth in the Maine Revised Statutes, Title 9-B, section 436, regarding the validity and priority of mortgages to financial institutions authorized to do business in this State that secure advances to be made to the borrower after the date of execution of those mortgages. In addition, this bill extends the authorization to accept open-end mortgages to mortgagees other than financial institutions authorized to do business in this State.

Committee Amendment "A" (S-130) adds definitions of "protective advances" and "contingent obligations." It clarifies the priority of those amounts. It corrects cross-references and adds a fiscal note.

COMMITTEE REPORT
ONTP

AMENDMENTS ADOPTED

SUMMARY

This bill requires that insurers that offer individual health insurance use community rating in their rate-setting process. When using community rating, the insurer may not vary the premium rate due to gender, health status, claims experience or policy duration. In addition, insurers must offer coverage and guarantee renewal to all individuals and their dependents under any individual health insurance policy offered by the insurer in this State. Nonprofit medical service organizations are subject to the same requirements by operation of the Maine Revised Statutes, Title 24, section 2321-A.

See LD 1548 on health issues and health insurance.
