LD 1284 An Act to Amend the Bill of Rights for Persons with Mental PUBLIC 326
Retardation

SPONSOR(S) COMMITTEE REPORT AMENDMENTS ADOPTED
GEAN OTP-AM H-437

SUMMARY

This bill amends the laws governing rights for persons with mental retardation so to use "people first" language, reflecting current philosophy in the field.

Amendment H-437 changes references to "persons with mental retardation" to "persons with mental retardation or autism" to reflect the Bureau of Mental Retardation's current statutory responsibility to provide services to people with autism. The amendment also repeals a section of the statutes that allows persons with mental retardation or autism to be isolated in a locked room. The amendment also makes a technical correction to the bill.
