DIED BETWEEN BODIES

SUMMARY

This resolution provides for direct popular election of the Secretary of State in the manner currently provided for the Governor. This resolution also changes the line of succession due to incapacitation of the Governor, making the Secretary of State the next in line. LD's 698, 743, 1032 and 1255 are related bills.

The committee amendment (H-434) adds a fiscal note to the resolution.

LD 1309 An Act to Authorize Sagadahoc County to Provide Centralized Administrative Services to Those Sagadahoc County Municipalities That Desire to Share the Cost of Those Services

PUBLIC 407

SPONSOR(S)	COMMITTEE REPORT		AMENDMENTS ADOPTED
COLES	ONTP	MAJ	H-625 JOSEPH
	OTP	MIN	H-650 JOSEPH

SUMMARY

This bill allows counties to adopt cooperative plans with member municipalities to provide administrative services on a centralized basis.

The bill limits cooperative plans to Sagadahoc County at this time, although other counties could be authorized to provide centralized services using this framework. Sagadahoc County is specified as the pilot county as it is small enough to have an intimate relationship with its member municipalities, but large enough to provide pooled expert services to member municipalities that choose to participate.

The bill prohibits the assessment as part of the general county tax of the costs of these services to municipalities that do not choose to participate, but allows the use of the county tax as an enforcement mechanism for delinquent obligations of participating municipalities.

The committee amendment (H-625) establishes a date of July 1, 1995 for the termination of centralized administrative services by certain counties. The amendment also requires that recommendations for continued authorization of the program be made to the Joint Standing Committee on State and Local Government.

The House amendment (H-650) clarifies the review authority of the county commissioners in determining whether the cooperative program should be extended.
