SUMMARY

Two years ago a law was passed that required that persons be registered with the State in order to call themselves massage therapists. This bill attempts to require that persons be registered in order to call themselves registered massage practitioners and to be certified in order to call themselves certified massage therapists. The bill requires that to be certified a person must pass an examination or have graduated from a school accredited by the American Massage Therapy Association. The effect of the original bill is summarized in the following table:

<u>Title</u>	<u>Who Can Use</u>	<u>What Can Do</u>	<u>Qualifications</u>
