**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Each school district superintendent would also be required to send information to the Department of Education about the number of requests for transfer into that district and the outcome of those requests. This bill was carried over to the Second Regular Session of the 118th Legislature.

LD 639

An Act Regarding the Filing of School Administrative Reports

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRENNAN SMALL	ONTP	

LD 639 proposed to amend current law so that the Commissioner of Education could not withhold a school administrative unit's state subsidy as long as reports were filed by October 15th. It also would have limited the withholding to 10% of the state subsidy and would only have allowed the commissioner to withhold 10% when that withholding was imposed on all school units that failed to meet the October 15th deadline. Under current law, the commissioner may withhold a school administrative unit's state aid and the State Treasurer must withhold such state aid if the unit has failed to file a report or provide information required by law. Some of these reports are required by July 15th, which is only 15 days after the end of the school year.

LD 654

An Act to Amend the Charter of the University of Maine

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
AHEARNE	ONTP	

LD 654 proposed to prohibit the trustees of the University of Maine System from increasing tuition or reducing faculty or course offerings unless they also implemented a 20% reduction in administrative costs.

LD 684

An Act to Organize Schools in the Unorganized Territory as a Single School Administrative Unit

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCELROY SMALL	ONTP	

LD 684 proposed to require the Commissioner of Education to form and operate a single school administrative district covering the schools in the unorganized territory in order to reduce the cost of education. It further proposed to require that the per-pupil cost in the new district not exceed the state average.
