ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 943

An Act to Amend the Law Governing Municipal Zoning with Respect to Community Living Arrangements

PUBLIC 442

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAGGETT	OTP-AM MAJ ONTP MIN	S-263

LD 943 proposed to amend the current law governing municipal zoning with respect to group housing facilities for persons with disabilities, known as “community living arrangements.” In order to bring the law into compliance with federal laws, it proposed to repeal the provisions setting density limits and requiring a public hearing when such facilities propose to locate in residential zones. It also proposed to amend the laws specifying what type of municipal ordinances may be enacted affecting such facilities.

Committee Amendment "A" (S-263) replaced the bill. It proposed to strike the current law regarding municipal ordinances and community living arrangements in order to repeal provisions that violate federal law and to rewrite and clarify the remaining provisions. The amendment continued the requirement that municipalities consider community living arrangements to be single-family uses of property for purposes of zoning.
