**Summary Of Legislation Before The Joint Standing Committees  
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

S-197

LD 1114 proposed to require the Department of Human Services to amend its rules to extend spousal support protections to the spouse of a resident of a cost-reimbursed residential care facility to the same extent as is now available to the spouse of a nursing facility resident. The bill would require that the department, in consultation with the Long-term Care Steering Committee and other interested groups, examine the support available under different long-term care programs to the spouses and families of single and married long-term care recipients and to make recommendations for ensuring greater equity in the income and resource protections extended to individuals who are similarly situated.

**Committee Amendment "A" (S-197)** proposed to delete the requirement on spousal protection and to add to the study duties of the Commissioner of Human Services and the Long-term Care Steering Committee. It would change the initial report date to January 1, 1998 and add a fiscal note to the bill.

***Enacted law summary***

Resolves 1997, chapter 42 comprises the provisions of the bill and the Committee Amendment. It requires the Commissioner of Human Services and the Long-term Care Steering Committee to study medical and financial eligibility screening and the availability and development of long-term care options. It requires an interim report by January 1, 1998, and a final report by November 1, 1998, to the Health and Human Services Committee. The resolve takes effect May 30, 1997.
