**FIRST REGULAR AND FIRST SPECIAL SESSIONS**

**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

<u>Sponsor(s)</u> MAILHOT NUTTING		<u>Committee Report</u> ONTP MAJ OTP-AM MIN		<u>Amendments Adopted</u>
---	--	---	--	---------------------------

Current law allows licensed health care professionals to provide substance abuse counseling as long as that is not the only professional service the person provides. LD 1142 proposed to require the licensed professional to successfully complete examinations given by the State Board of Alcohol and Drug Counselors. This bill would also allow the State Board of Alcohol and Drug Counselors to waive examination for applicants if the National

Certification Reciprocity Consortium or a similar organization recognizes the person as having met state licensing requirements for substance abuse counselors.

---------------------------	--	-----------------------------------	--	------------------------------------

A confusing aspect of any car repair for consumers is whether the bill is based on actual labor hours or a flat-rate manual's estimate of how much time such a repair should take. LD 1171 proposed to provide customers with greater information about flat-rate billing and to help them comparison shop for the best price. It is based on findings set forth in the 1995 National Association of Attorneys General Auto Repair Task Force Report.

**Committee Amendment "A" (S-160)** proposed to clarify the information that must be provided by the car repair shop to the customer for greater awareness about billing procedures in order to comparison shop.

*Enacted law summary*

Public Law 1997, chapter 221 provides customers with greater information about flat-rate billing to help them comparison shop for the best auto repair price. It is based on findings set forth in the 1995 National Association of Attorneys General Auto Repair Task Force Report.

**LD 1177**                      **An Act to Amend the Charter of the Northern Maine Development Commission, Inc.**                      **ONTP**

<u>Sponsor(s)</u> KIEFFER		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 1177 proposed to substantially amend the charter of the Northern Maine Development Commission, Inc. by establishing the General Assembly as the governing body of the commission. The bill would also provide that future revisions or amendments to the charter or a repeal of the charter may be accomplished by majority vote of the General Assembly if two thirds of the General Assembly had voted to submit proposed charter changes to a written ballot. This bill was withdrawn by the sponsor as Private & Special Law 1997, chapter 13 repealed Private & Special Law 1989, chapter 89, which this bill proposed to amend.
