**FIRST REGULAR AND FIRST SPECIAL SESSIONS**

**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

**Committee Amendment "A" (S-253)** replaced the bill. It deletes the requirement from the bill that an agency provide 18 print copies of a publication in electronic format, such as CD or videotape. It continues the requirement that agencies and committees provide one print copy of electronically published materials to the State Librarian, but exempts certain types of materials, such as frequently changing lists and daily reports, from that requirement.

*Enacted law summary*

Public Law 1997, chapter 299 requires state agencies and legislative committees to provide the State Librarian with 18 copies of electronic format publications, in the electronic format. It also requires them to provide one print copy of electronically published materials, such as materials placed on the Internet, excluding certain lists and reports that are subject to frequent updating. Chapter 299 was enacted as an emergency measure effective May 28, 1997.

LD 1188 proposed to clarify what actions an agency may take to gather information on ideas for rules it is considering adopting. The bill defined “proposed rule” as a rule proposal formally submitted to the Secretary of State for publication of notice. Any meetings after that date to discuss the rule must have notice published and opportunity for public participation. Before that date agencies may meet informally with interested persons without advertising or otherwise providing for general public participation.
