We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1328

An Act to Enact the Uniform Transfer on Death Security Registration Act

PUBLIC 627

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NASS LIBBY	OTP-AM	H-860

LD 1328 proposed to establish the Uniform Transfer on Death Security Registration Act.

Committee Amendment "A" (H-860) proposed several changes to the Uniform Transfer on Death Security Registration Act, including technical changes consistent with the Maine Probate Code. It proposed language to ensure that registration of securities in beneficiary form does not defeat the elective share and statutory allowances. It proposed language governing the cancellation of registrations by references in a testator's will.

Enacted law summary

Public Law 1997, chapter 627 establishes the Uniform Transfer on Death Security Registration Act with some modifications consistent with the Maine Probate Code. The Act allows the owners of securities to ensure that the securities will be transferred to the designated beneficiaries upon the owners' deaths, without going through the probate process. Chapter 627 differs from the Uniform Act by allowing the cancellation by will of a beneficiary designation.
