ONE HUNDRED EIGHTEENTH LEGISLATURE FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1472An Act to Modify the Work Search Requirements for Workers'
Compensation Recipients

ONTP

MILLS	ONTP	

LD 1472 proposed to provide that only employees who have received workers' compensation disability benefits for 260 weeks or more are subject to the work search requirement. The bill proposed to overturn the Law Court's decision in <u>Bureau v. Staffing Network, Inc.</u>, 678 A.2d 583 (Me. 1996), finding that a partially incapacitated employee bears the initial burden of establishing the unavailability of work within that employee's work restrictions.

LD 1474An Act to Provide for Limited Payment of Attorney's Fees for
Injured Workers Who Prevail on Meritorious ClaimsONTP

Sponsor(s)	Committee Report	Amendments Adopted
MILLS	ONTP	

LD 1474 proposed to change the laws governing attorneys' fees in workers' compensation cases. In addition to reinstating a limited prevail rule, this bill proposed to impose a uniform set of standards for payment of counsel fees in cases with dates of injury on or after June 30, 1985, the date when the "prevail rule" was first initiated. The bill would require the employer to reimburse the employee for travel expenses, for costs of transcript copies, for medical records and reports and for legal assistance necessary to respond to discovery requests as long as the employee's claim is made in good faith and upon reasonable grounds. The bill also proposed maximum rates to be charged for hourly legal work tied to a percentage of the State's average weekly wage to adjust for inflation. The bill proposed to limit legal fees to 10% on smaller claims and to 5% of those portions of larger settlements that exceed 150 times the State's average weekly wage.

The bill also included express prohibitions against overcharging or charging for any services that do not contribute to the prompt, just and expedient resolution of claims and included standards to determine the reasonableness of a legal fee. A party would be entitled to obtain a review and adjustments from the board based on the standards. The bill proposed penalties for overcharging or for conduct that impedes the efficient, expedient or just resolution of a dispute.

The bill would have applied procedurally only to controversies and settlements resolved after the bill's effective date; but, once effective, the bill would apply retroactively to all pending cases in which the date of injury falls after June 30, 1985. The one exception would be for settlement fees in cases arising prior to October 17, 1991. Settlement of such cases under the bill would be governed by the law in effect at the time of injury.
