We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. LD 1430 **An Act to Regulate Professional Loggers** **ONTP**

<u>Sponsor(s)</u> KILKELLY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-------------------------------	--	---------------------------------	--	---------------------------

LD 1430 proposed establishing the Maine State Board of Licensure for Professional Loggers as the regulatory body for the profession. The bill proposed qualifications for licensure including a two-year internship under the guidance of a licensed logger unless the person has graduated from an approved two-year curriculum and has completed at least two years of experience in logging work. Applicants would also have to pass a written examination approved by the board. The annual licensing fee would be determined by the board, but could not exceed \$55 annually.

Pursuant to the Maine Revised Statutes, Title 5, section 12015, subsection 3, an evaluation of the need for regulation of loggers was completed prior to committee action on this bill.

A related bill proposing loggers registration was amended to address timber theft and compliance with timber harvesting regulations. (See the bill summary for LD 1405.)

LD 1465 **An Act to Limit Liquidation Harvesting** **ONTP**

<u>Sponsor(s)</u> SHIAH		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 1465 proposed requiring a permit for any harvesting of timber that would result in a clear-cut or understocked stand. The Department of Conservation would be authorized to grant permits only when harvesting was being proposed for one of four specified purposes. The bill proposed replacing the definitions section in the current forest practices laws, in particular, replacing the definition of “clear-cut” with a definition of “clear-cut or understocked stand” based on criteria set forth in stocking guides for the Northeast. This bill proposed a penalty section that increases the fines applicable for violations of forest harvesting regulations.

LD 1473 **An Act to Amend the Laws Regarding Forest Practices** **ONTP**

<u>Sponsor(s)</u> CASSIDY BARTH		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
---------------------------------------	--	---------------------------------	--	---------------------------

LD 1473 proposed amending the laws governing forest practices by limiting the maximum land area that could be clear-cut in any year and by providing that an individual clear-cut could not exceed 50 acres in total area for forest ownerships of more than 500 acres.

The bill proposed to amend the provisions governing the process by which a municipality may propose to adopt or amend a timber harvesting ordinance. The bill proposed adding eight foresters to the Maine Forest Service in the

Department of Conservation and requiring the department to hold 14 seminars per year, two at each of the seven campuses of the Maine Technical College System, to educate landowners and harvesters regarding forest practices.

LD 1518 **Resolve, to Establish the Maine Forest Policy Round Table Study Commission** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VOLENIK	ONTP MAJ OTP-AM MIN	

LD 1518 proposed a resolve to establish the Maine Forest Policy Round Table Study Commission. The resolve directs the commission to study key forest economic and labor issues. The commission would have been directed to issue a report that assesses problems and makes recommendations for changes in the State's forestry policy and to submit its report and necessary implementing legislation to the 119th Legislature by January 1, 2000.

Committee Amendment "A" (H-100) was the minority report. It proposed changing the report date for the Maine Forest Policy Round Table Study Commission and adding an appropriation section and a fiscal note to the resolve.

LD 1746 **An Act to Amend the Laws Relating to Development and Centralized Listing of Municipal Ordinances That Apply to Forest Practices** **INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KILKELLY GREEN	OTP-AM MAJ ONTP MIN	

LD 1746 proposed amending the laws relating to development of municipal timber harvesting ordinances by requiring the ordinances to be consistent with the definitions for forestry terms established in the Maine Revised Statutes, Title 12, section 8868 as well as those in rules adopted by the Department of Conservation. It proposed clarifying that a municipality may not adopt an ordinance with standards less stringent than the standards established in state law and rules adopted in accordance with state law. It proposed changes to the notice and hearing procedures for adopting municipal timber harvesting ordinances and specifying a 30-day period within which the validity of the adoption of a timber harvesting ordinance could be challenged based on an alleged failure to comply with certain notice requirements.

Committee Amendment "A" (S-527) was the majority report of the committee. This amendment proposed changing the date by which municipal ordinances must comply with a standard for definitions and adding a fiscal note to the bill.

LD 1766 **An Act to Improve Management of Maine's Forests** **ONTP**
