We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 1478 proposed to enhance enforcement of marine resources laws by making enforcement easier and reducing the number of contested cases. It proposed to redefine several criminal violations as civil violations to allow efficient processing by the courts. The bill also proposed to make the general penalty for violation of the marine resources law a civil violation for which a forfeiture of not less than \$100 and not more than \$500 would be adjudged. Violations that the bill proposed to leave as crimes were amended to specifically state that they are Class D crimes.

**Committee Amendment "A" (S-493)** proposed to strike the bill. It proposed to clarify that a violation of the State's soft-shell clam management provisions is a Class D crime. It proposed to remove the maximum amount that a person could be fined for a violation. It also proposed to clarify that greater penalties for violations committed after the first violation of the State's soft-shell management provisions apply for a period of 10 years from the date of conviction of the first violation.
