We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1653**An Act to Abolish the State Board of Education****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOY	ONTP MAJ OTP MIN	

LD 1653 was carried over from the First Regular and First Special Sessions and proposed to abolish the State Board of Education, transfer its responsibilities to the Department of Education and provide for its funding to be used for the Maine School of Science and Mathematics and general purpose aid to local schools.

LD 1717**An Act Establishing a Higher Education Trust as an Instrumentality of the State****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL E PENDLETON P	ONTP	

LD 1717 was carried over from the First Regular and First Special Sessions and proposed to establish a higher education trust to assist residents of the State in saving for the costs of attending higher education and to assist students in the payment, in advance, of the tuition and related costs of attending colleges and universities in the State. This bill would have created the Maine University Savings Trust as an instrumentality of the State and would have accomplished the following:

1. Provided assistance and incentives for saving toward higher education costs and for the purchase of prepaid tuition contracts for the benefit of the children of this State to attend a qualified institution of higher education in the State;
2. Encouraged timely financial planning for higher education by the creation of prepaid tuition contracts and further encouraged employer participation in that planning; and
3. Increased the number of qualified students who will seek to attend colleges and universities in Maine, which would be of benefit to the colleges and universities, and would therefore advance and improve higher education in the State.

Under this proposed bill, members of the Finance Authority of Maine would have served as trustees for the Maine University Savings Trust and would have acted on behalf of the trust to establish and administer the separate trust funds.
