**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1666

An Act Concerning the Authority of the Secretary of State to Suspend and Revoke Licenses and Privileges to Operate in Maine

**PUBLIC 111
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAWRENCE DONNELLY	OTP-AM	S-119

LD 1666 proposed to authorize the Secretary of State to suspend or revoke the licenses, certificates, decals or authority of separate legal entities, which are related as a result of common ownership or control, when one entity is issued a suspension or revocation.

Committee Amendment "A" (S-119) proposed to change the definition of related entities from the bill to include certain entities in which related individuals have a role in ownership, operation or control. The amendment also proposed to require that, when the Secretary of State's suspension or revocation of an entity is based on a recommendation of the Motor Carrier Review Board, the board must also make a recommendation on the suspension or revocation of related entities. The amendment also proposed to clarify that if an entity becomes a related entity or is created after the Secretary of State has made the decision to suspend or after the Motor Carrier Review Board makes its recommendation to suspend, the Secretary of State may immediately suspend the related entity.
