**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1674**An Act Related to Bind-over of Older Juveniles Who Commit Certain Offenses**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THOMPSON BENOIT	ONTP	

LD 1674 proposed to require that, at the request of the prosecuting attorney, a juvenile be bound over for trial as an adult if the juvenile had committed what would be murder, Class A or B manslaughter, aggravated assault, or Class A or B gross sexual assault and was at least 16 years of age at the time, unless the juvenile requested a bind-over hearing. The bill would have placed on the juvenile the burden of showing the inappropriateness of bind-over.

LD 1679**An Act to Assist the Law Enforcement Community in Locating Missing Children**

PUBLIC 468

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMALL PEAVEY	OTP-AM	H-707 POVICH S-276

LD 1679 proposed to require a law enforcement agency that received a report of a missing child who was a student at a school in this State to inform an administrator of that school of the missing child report. An administrator of that school would have to identify the file or any other records of the missing child in the custody of the school as pertaining to the missing child. If a request for this file or these records were made, an administrator of that school would have to notify a law enforcement agency of this request immediately. This bill also proposed to require the law enforcement agency to inform the municipal clerk of the municipality in which the child's birth records are kept of the missing child report. The municipal clerk would have to identify the birth records of the missing child. If a request for these records were made, the municipal clerk would have to notify a law enforcement agency of this request immediately.

Committee Amendment "A" (S-276) replaced the bill. The amendment proposed that a law enforcement agency must immediately notify a child's school, the municipality in which the child's birth records are kept and the Department of Human Services if a child were considered a victim or possible victim of kidnapping or criminal restraint. The amendment would require the notified agencies to identify the records in their custody that pertain to the child and immediately notify the law enforcement agency if a request for those records were made.

The amendment also proposed to add a fiscal note and a mandate preamble to the bill.

House Amendment "A" to Committee Amendment "A" (H-707) proposed to make technical changes to ensure grammatical consistency in the language used in the committee amendment.
