ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

WINGLASS	ONTP	

LD 1733 proposed to allow municipalities to require residency in the municipality for officials and employees who submit major budgetary requests for the municipality. During deliberations on the bill, the committee concluded that the bill was unnecessary because current law permits such requirements to be imposed on the categories of municipal officials who would have been affected by the bill.

LD 1759 proposed the establishment of the Maine Governmental Facilities Authority for the purpose of financing the renovation or construction of state and judicial department facilities. The bill proposed to incorporate the existing provisions of the Maine Court Facilities Authority Act and permits the Maine Governmental Facilities Authority to finance state facilities as well as court facilities. The bill required that each issuance of securities by the Maine Governmental Facilities Authority be approved by the Legislature.

Committee Amendment "A" (S-297) added a fiscal note to the bill.

House Amendment "A" (H-737) proposed the following:

1. It required a two-thirds vote of approval in each House of the Legislature prior to the issuance of any securities;
2. It lowered the debt ceiling from \$70,000,000 to \$60,000,000 and allocated \$30,000,000 of that lower amount for the Judicial Branch; and
3. It added a requirement that the Commissioner of Administrative and Financial Services submit a plan by January 15, 1998 that describes a method to finance the Maine Governmental Facilities Authority debt service and related costs.

Senate Amendment "A" (S-336) proposed to eliminate the power of eminent domain from the proposed Maine Governmental Facilities Authority.
