FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1806 is the unanimous result of the work done by the Task Force to Review Maine's Laws Concerning Involuntary Commitment, created by the 117th Legislature pursuant to Resolve 1995, chapter 13. The bill proposed to revise the involuntary commitment laws in order to improve the State's capacity to respond to people with mental illness in community settings. The bill proposed to add language on the responsibility to share information about possible dangerousness under certain circumstances; extend certain provisions of the involuntary commitment laws to community hospitals; adopt an amended version of the probable cause standard; clarify and amend several administrative procedures; and establish a joint responsibility of the Department of Mental Health, Mental Retardation and Substance Abuse Services and the Department of Corrections to provide treatment and supervision mandated by the court as a condition of probation or parole.

Committee Amendment "A" (H-710) proposed to clarify the role of the liaison and to correct references to state mental health institutes. It proposed to revise the definition of "least restrictive means of transportation," and to ensure that the guardian or next of kin of a person subject to involuntary commitment receives notice of the patient's rights.
