ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1778 proposes to establish the Maine Prepaid College Tuition Program, administered by a board of trustees with the administrative support of the Treasurer of State. The program would provide for advance purchase by parents of tuition and housing contracts at current prices that will provide for future attendance by their children at campuses of the University of Maine System, the Maine Technical College System or the Maine Maritime Academy. Funds under the contracts may be used for attendance at private colleges and universities and to out-of-state public institutions of higher education up to the amount that would have been paid to an in-state institution under the contract. The bill was carried over to the Second Regular Session of the 118th Legislature.
