**Summary Of Legislation Before The Joint Standing Committees
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1962

An Act to Apply ERISA Standards to Pension Benefits for Teachers and State Employees to Clarify that They Are Nonforfeitable Once Accrued

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS	ONTP MAJ OTP-AM MIN	

LD 1962 proposed to prohibit the reduction of benefits under the Maine State Retirement System once an employee has accrued the minimum creditable service requirements for receipt of retirement benefits.

Committee Amendment "A" (S-611) which was not adopted, replaced and clarified the intent of the bill. The amendment proposed to establish in statute that the retirement benefits of state employees, teachers and judges under the Maine State Retirement System represent a solemn contractual commitment of the State the value of which may not be reduced once those benefits are earned. This amendment was intended to specifically supplant, with respect to the accrued retirement benefits of retirement system members, the holding of the United States Court of Appeals for the First Circuit in *Parker v. Wakelin et al.*, (CA 1, No. 96-2225, 8/11/97). In that case, the court held that Maine public pension law creates no enforceable private contractual right against the modification of teacher members' retirement benefits until those benefits are actually receivable. Under this amendment, public employee retirement benefits, once earned, may not be reduced because the accrued value of those benefits is protected under the contract clauses of the Constitution of Maine and the United States Constitution. See also LD 999, which proposed constitutional protection for public pension benefits.

LD 1964

TREAT	OTP-AM	S-460

LD 1964 proposed to direct the Commissioner of Labor to assess the mission and services of the Division of Deafness within the Bureau of Rehabilitation Services, Department of Labor. The resolve also proposed to require the Commissioner, in consultation with a subcommittee comprised of the Joint Standing Committee on Labor, the Deaf Advisory Council and other interested parties, to make recommendations by September 15, 1998, regarding any proposed structural, statutory or funding changes. The resolve proposed to authorize the Joint Standing Committee on Labor to report out implementing legislation to the First Regular Session of the 119th Legislature.

Committee Amendment "A" (S-460) proposed to eliminate the formation of an official subcommittee and to add the Governor Baxter School for the Deaf and all affected agencies, including the Department of Corrections, the Department of Education, the Department of Human Services, the Department of Mental Health, Mental Retardation and Substance Abuse Services, the Department of Public Safety, the Department of Transportation, the
