Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

KERR	OTP-AM	H-981 S-583 DAGGETT

LD 2169 proposed to change the law pertaining to harness racing, focusing on the hiring of race meet officials and the Harness Racing Promotional Fund.

This bill would provide that a licensee may hire race meet officials that are licensed by the commission. Licensees would only be authorized to fire an official with the consent of the commission. This bill proposed to remove the Harness Racing Promotional fund from the list of recipients of race track’s commission. It would require that the portion of the fund - what is left over after administrative costs and not including money raised by the board - be paid to the licensees as reimbursement for promotional expenses. The bill proposed to repeal the Harness Racing Promotional Board effective July 1, 1999.

Committee Amendment "A" (H-981) proposed to strike the entire bill, replacing it with provisions for hiring and firing race track officials and a requirement that the Harness Racing Promotional Board report to the joint standing committee of the Legislature having jurisdiction over matters of harness racing.

Senate Amendment "A" (S-583) proposed to provide that the State Harness Racing Commission may impose conditions on a license for an off-track betting facility if those conditions are requested both by the applicant and by the municipality in which the off-track betting facility is to be located.

Enacted law summary

Public Law 1997, chapter 735 establishes provisions for hiring race track officials. Licensees may only hire officials licensed by the State Harness Racing Commission and may not terminate employees without consent of the commission. This law outlines the membership requirements of the Harness Racing Promotional Board and requires the board to report to the Joint Standing Committee of the Legislature having jurisdiction over matters of harness racing each year before the 15th of February. This law also provides that a conditional license may be issued to an off-track betting facility if those conditions are requested both by the applicant and the municipality in which the facility is to be located.
